MALTA BRAIN 2018 AWARENESS WEEK

12-18 MARCH

A global campaign to increase public awareness
of the progress and benefits of brain research

Monday 12th

Open Lecture: The organization of the cortical motor system

Speaker: Prof Giacomo Rizzolatti
Venue: Biomedical Building, 402 room
Time: 11:00

Talk: An audience with Giacomo Rizzolatti

Speaker: Prof Giacomo Rizzolatti
Venue: Italian Culture Institute, Valletta
Time: 19:00

Tuesday 13th

Lab visits at University of Malta
Brain Computer Interface Systems:
Department of Systems and Control
Engineering & Centre for Biomedical
Cybernetics
Time: 10:00 -12:00

Tuesday 13th

Q/As session with Giacomo Rizzolatti at
the KSU Careers and Research Expo
2018 on "HOW TO BECOME A
NEUROSCIENTIST"
Time: 10:00-10:30

Open Lecture: From mirror neurons of
the motor cortex to the "mirror brain"
Speaker: Prof Giacomo Rizzolatti
Venue: Biomedical Building, 402 room
Time: 11:00

Wednesday 14th

Lab visits at University of Malta
Techniques for exploring mind and brain:
Department of Cognitive Science
Time: 10:00 -12:00

MALTA CAFE SCIENTIFIQUE: Sensing
Autism: The Brain in VR
Speaker: Dr Vanessa Camilleri
Venue: Music Room, Spazju Kreattiv, St
James Cavalier, Valletta
Time: 19:00

Thursday 15th

Lab visits at University of Malta
The Brain in VR - Illusions of presence: Department
of ICT
Time: 10:00 -12:00

Open Lecture: Motivation and Control of Behaviour

Speaker: Prof Giuseppe Di Giovanni
Venue: Biomedical Building, 402 room
Time: 16:00

CINEXJENZA

Movie: Split
Venue: Cinema Room, Spazju Kreattiv, St James
Cavalier, Valletta
Time: 19:00

Friday 16th

Open Lecture: The Anatomy and Function of the
Brain
Speaker: Dr Christian Zammit
Venue: Biomedical Building, 402 room
Time: 16:00
