## DECLARATION CONFIRMING THE EXTENSION OF THE VALIDITY OF ITALIAN DOCUMENTS

The Embassy of Italy in Malta, in relation to the current health emergency situation related to the spread of Covid-19 and the consequent measures implemented to contain the pandemic, reports the following:

### Extension of validity of passports, identity cards and driving licenses

In accordance with the Decree dated 17 March 2020, the Italian Government has taken the following decisions regarding the validity of identification documents: the validity of passports, identity cards (paper and electronic) and driving licenses issued by the Italian Government and expired as from 31 January 2020 has been extended until **31 August 2020**.

**This does not apply for expatriation and border crossing.**
